

SIMSON CLEANER I

PREPARATION AGENT

KEY BENEFITS

- Evaporation rate very fast
- No stress cracking on plastics
- Easy dilution and high efficiency for degreasing

DESCRIPTION

Cleaner I is a preparation agent, ideally suitable for cleaning and degreasing substrates for bonding or sealing with specific Bostik SMP products. Consult technical information leaflet of the particular product.

APPLICATION

- Cleaning and degreasing of ceramic coated glass.
- Cleaning and degreasing of glass substrates (like PC and PMMA).
- Cleaning and degreasing of closed substrates (consult Bostik for more information).
- Removing uncured sealant and adhesive, based on Silyl Modified Polymer (SMP) from substrates and tools

METHOD OF USE

The substrates should be firmly rubbed with a clean, colourless cloth, wetted with Cleaner I. In case the substrate is strongly contaminated repeat this once more.

Note: It is recommended to make a trial in advance on a small piece, to check whether the substrate will not be affected by Cleaner I.

STORAGE STABILITY

Cleaner I can be stored for 12 months in a closed (unopened) container in a dry place at temperatures between +5°C and +30°C.

- Material Safety Data Sheets (MSDS)

TECHNICAL DATA

CHARACTERISTIC		VALUE
Dry content	[%]	0
Specific gravity	[g/ml]	0.79
Flash point	[°C]	12
Drying time	[min]	>5
Colour		Transparent
Packaging		2.5 litre jerry can

The information given and recommendations made herein are based on Bostik's research only and are not guaranteed to be accurate. The performance of the product, its shelf life, and application characteristics will depend on many variables, including the kind of materials to which the product will be applied, the environment in which the product is stored or applied, and the equipment used for application. Any change in any of these variables can affect the product's performance. It is the buyer's obligation, prior to using the product, to test the suitability of the product for an intended use under the conditions that will exist at the time of the intended use. Bostik does not warrant the product's suitability for any particular application. The product is sold pursuant to Bostik's Terms and Conditions of Sale that accompanies the product at the time of sale. Nothing contained herein shall be construed to imply the nonexistence of any relevant patents or to constitute permission, inducement, or recommendation to practice any invention covered by any patent, without authority from the owner of the patent.
